

Dear Parents

Our Grade 8s conclude their first term at EHS while our Grade12s conclude their last First Term at EHS! We trust that both have had an Abundant term. Thank you to all who have Dared to Soar in their pursuit of excellence. We trust the time away from EHS will allow for some reflection and that all will come back refreshed and ready to take on another term with confidence.

Proudly EHS

An Academic note to parents:

With a huge team effort we managed to get the reports ready to hand out this term despite many challenges – of which the last one was the power cut on Tuesday. The power cut had a negative impact on our printers with the result that **some of the reports are not of the standard that we would like them to be.** We prefer to get the reports out because we would like parents to make use of the two parent/teacher evenings early next term. Please note that you have to book an appointment with individual teachers by using the booking slip inserted with the report.

Keep in mind that the results on the Term 1 report are often inflated because of the positive influence of the task (done at home/internet access/use of a dictionary/use of other sources).

Parents of Grade 10 – 12 learners are to rather **consider the Test %** than the Final %. Unfortunately the Grade 8 & 9 reports only reflect a Final mark. Learners had to write the test mark down in their diaries. If the Test mark is low or your child has not achieved the promotion requirements we strongly recommend a meeting with the individual subject teacher(s)

APPEAL TO THE COMMUNITY

We would like to appeal to all our members of the community to please be our eyes and ears during the holiday to ensure we do not have any vandalism of our school property during the holidays.

We do have our security company and the community patrol assisting but we would like to request that parents/pupils also be vigilant.

Please contact District Watch if the need should arise.
