“To have life more abundantly”

Circular 5 of 2018

15 February 2018

Dear Parents

We have had a number of excellent performances by our pupils. Our First Eleven (Cricket) had a successful tour to Vredenburg. The match was a nail biter as EHS edged out the opposition. In our athletics' triangular against De Kuilen and Monument Park, EHS created a stir by ending second. Our Athletics Department's hard work has been rewarded with a record number of athletes being invited to Zonal Trials. On Monday, we participate in the Camps' Bay Athletics Meeting and hope to retain the cup won for the first time last year.

Academically, Mr Goslett and his accounting Matrics of 2017 must be congratulated on achieving the highest percentage of distinctions in the District.

Thank you to all pupils who are actively contributing to saving water. We have reduced usage considerably. Of concern is that a small defiant group who are wasting the hand sanitizer and blocking basins so that there is an overflow of water. We need to stop this negative behaviour. If you have any information on pupils misusing our water, please take their names to Mr de Kock. We promise you your anonymity.

Proudly EHS

Mr RG Lawrence
