Dear Parents

As we come to the end of Week 3 we can be so proud of so many of our Eagles as they catch the thermals of success. We are encouraged and excited that so many parents are supporting the Ethos of the school. With you on the one side and the school on the other, we can help guide our young eagles to a full school week, term and year.

We start with our weekly assessment on Tuesday. Be aware of what is being written and assist your eagle to be academically prepared. It is a time to monitor their confidence, study technique and emotional intelligence. We have an amazing Wellness Department, please use them.

Our Cultural Awards always amazes as it showcases the variety of Clubs/Societies available while the Performing Arts/Music impresses with the quality of talent on display. Sign up for 2023 was on Wednesday. Please engage with your eagle as to what they chose.

Tomorrow heralds our Open Day for Grade 8 2024. Please see the website for details.

Many eagles are soaring through their Tertiary studies. We no longer receive details from these institutions. Please send us names and accomplishments achieved. It is important for our current eagle families to see how successful eagles can be.

We are very excited to announce that Edgemean High School was placed 4<sup>th</sup> in the country for Business Studies in the NSC Examinations for 2022. We are really proud of our past matrices.

Proudly EHS

Dear Parents

All EHS learners have been given their Office 365 logins/email addresses via their class tutors. As the learners are in high school and we would like them to take more responsibility for their schoolwork, we share all important information like the test timetable and outlines with our learners via the Microsoft Teams platform. We would also like to encourage parents to use their child's EHS login to access this important information via Teams. More information can be found on our school website under Academics >> Exams & Tests >> Scroll all the way to the bottom for an instructional video and important links

Wishing the learners all the best with the upcoming assessments.

Mrs Vellacott

## Achievements

Lisa Laubscher races Oval track Racing under the World of Motorsport South Africa Flag and for her club, the Cape Hell Drivers. She races in the Junior Development Class which is from ages 10 years old till 18 years old.

This year, the development class was given a Regional Status that was held over two legs. One at Killarney International and one at Cape Agulhas Raceway in Bredasdorp.

Lisa really proved her worth, with not only consistency, but with her skill and managed to take top honours at the Regional with 1st place overall.

She attended a Regional Prize Giving last week where she received her trophy and the spot of being WP1 in the Western Province Development Class.
