“To have life more abundantly”

Circular 4 of 2023

Dear Parents

We had a fantastic Open Day for Grade 8 enrolment 2024. Our SGB joined groups incognito and the feedback from prospective parents was very pleasing. Just like the houses of Edgemean built over 50 years ago, the façade is very deceiving. Once you get beyond the gates / front door one is overwhelmed by what you find, never mind the view! We are very proud of what happens within the EHS House and Eagle Family. Thank you to all parents, past and present, who have invested / are investing in ensuring our future has the opportunity to “Have Life More Abundantly”.

We have asked our Eagle to “Armour Up” and one piece of that armour is Respect. In Assembly, the Wellness Department addressed the issue of bullying. Please take the time to read the presentation.

We wish our First Cricket Team well in their tour this weekend as well as our Athletes at the Inter-schools Athletics Day.

Proudly EHS

Mr RG Lawrence
