

EDGEMEAD | HIGH SCHOOL

“To have life more abundantly”

Circular 9 of 2023

17 March 2023

Absentee Whatsapp Line: 0603891460

Dear Parents

We have concluded our Assessment Cycle and we trust you are pleased with the results your child has received thus far. This Assessment may be used as a guideline for the June Examinations. An opportunity in Term 2 will be given to meet teachers, an ideal time to discuss any concerns. In addition, we continue with lessons after school. Reports will be handed out to pupils on 31 March 2023.

Our winter pre-season sports’ programme has been launched with our Eagles participating in various tournaments where the results have been impressive – pre-season training does pay off.

Our Cultural Department is playing a significant role in the “Edgemean Festival” on 21 March. [See advert and programme]. Please support our Eagles.

Proudly EHS

Mr N Solomons
DEPUTY PRINCIPAL

REMINDER: Avoid long queues at the cafeteria - Karri App:

EHS has implemented the Karri app which will allow the learners to order and pay for food from the cafeteria for first break, second break or after school.

1. **Download the Karri app** from the app store on your phone.
2. Login / create an account **using your school email** (e.g., 12345-john@edgemeanhigh.org.za).
3. *Order your food from the app.*
4. *You can pay via credit card, debit card or EFT on the app.*
5. *Collect your order from the collections window at the cafeteria.*

NOTE: *If you have followed the steps above and you still do not see anything under the "Collections" menu option, select "**Connections**" and then "**Subscribe**". Enter the **unique code** that can be found on Teams under the General Channel >> Posts Section in the EHS Learner Hub.*

If you have any queries or require any assistance with the app, speak to Mr Thorne Kleinsmith or Mrs Monique Vellacott in the Robotics office in the Knowledge Hub.

Kind Regards

Mrs M Vellacott

PARENT INFORMATION EVENING (PIE) FEEDBACK

Thank you to those parents and learners who joined us for our first PIE on March 14. We received positive feedback from attendees. Educational psychologist Hannes Wessels shared a thought-provoking talk on career adaptability. Unfortunately, only approximately 60 of the expected 260 attendees actually attended. Please, can we ask that, going forward, you honour your commitment to attending the events that you RSVP to? There is a cost and large team effort that goes into the planning of these events. Thank you for your support.

Catherine Vellacott, Ed. Psych., Wellness Department

TUESDAY 21 MARCH
