

Dear Parents

We have reached the end of Term 1 and reports were handed out today to your child during Class Tutor. It is essential that you have a discussion with your child regarding their marks and strategies be put into place to improve upon or maintain those results.

1. If your child is at risk, you will be receiving an email from teachers advising you on attending the portfolio (parent) evening where they will discuss your child’s progress. We would like to see you and your child with their subject workbook. With said email will be an attachment of the booking procedure and link to make the bookings.
2. If you do not receive an email from your child’s teachers and still would like to see the relevant teacher, you are more than welcome to book a slot with that teacher if they are available – the dates when this will open will be communicated to you.
3. Alternatively, you can either phone or email the teacher.

Portfolio evenings are on:

Tuesday 18 April for Grade 8-9 from 17h00-20h00

Tuesday 25 April for Grade 10-12 from 17h00-20h00

4. Academic Support schedule for Term 2 will be available in the second week of the new term.
5. **ALL GRADE 11 PARENTS – PLEASE TAKE NOTE THAT SUBJECT CHANGES MUST REACH THE SCHOOL BEFORE 14 APRIL. AFTER THIS DATE THE DEPT. WILL NOT ALLOW ANY MORE SUBJECT CHANGES FOR THE YEAR. ONLY TWO SUBJECT CHANGES ARE ALLOWED. A CHANGE FROM MATHS TO MATHS LIT ALSO REQUIRES PHYSICAL SCIENCE TO CHANGE IF APPLICABLE.**

Please email Mrs Paulsen: smpaulsen@edgemeanhigh.org.za to request a subject change. Learners will then need to collect a subject change form from Mrs Hibberd.

Wishing all learners, a deserved and restful holiday so that they are ready to tackle Term 2 afresh.

Proudly EHS

Mrs S Paulsen
Head of Academics

EAGLE ACHIEVEMENTS

Congratulations to Megan Bannister, Grade 9 who attended the Rotary Youth Leadership Awards camp in Franschhoek, along with over 70 other selected Interact members from schools around the Western Cape. They spent the weekend improving their leadership skills by completing various team-building tasks and activities.

Jordan'e Castle has been selected for WP Nationals Junior Lawn Bowls in Bloemfontein from 1 April to the 6th April. We wish Jordan'e well for the tournament.

COMMUNICATION AT EHS

Communication at EHS (Teams and D6):

All EHS learners have been given their Office 365 logins/email addresses via their class tutors and Dig Lit lessons. As the learners are in high school and we would like them to take more responsibility for their schoolwork and also prepare them for life beyond EHS, we share all important information like the test timetable and outlines with our learners via the Microsoft Teams platform. **We would also like to encourage parents to use their child's EHS login to access this important information via Teams. You can login to the Teams app using your child's EHS login on more than one device simultaneously.** More information can be found on our school website under Academics >> Exams & Tests >> Scroll all the way to the bottom for an instructional video and important links.
