Dear Parents

We would like to congratulate all our Top Academic learners in each grade for Term 1. Please take note of the names for the Top 10 in each grade. Your hard work and discipline has certainly made a difference.

For those learners who require assistance in any subject you are invited to attend the academic Support programme. Educators have made themselves available for learners to attend these classes to get extra assistance with any sections of work that they may find they are battling with.

Thank you to all the parents of the Grade 8 and 9 learners who attended the Academic Portfolio evening this week. It is truly wonderful to see so many parents attending these meetings and being part of assisting your child to improve on themselves and support the teachers. On Tuesday 25<sup>th</sup> we will be hosting the Grade 10 – 12 Portfolio Evening, please see the message from Mrs Paulsen in this circular for more details.

We encourage parents to please ensure your child is dressed correctly for school, this includes hair correctly tied up / no hairstyles that draw undue attention to themselves as well as our young men to ensure that they are cleanly shaven for school. It is disappointing to see how many of our boys are not shaving before coming to school.

We wish all our Muslim families a happy and peaceful Eid Mubarak.

Proudly EHS

Mr N Solomons  
PRINCIPAL

## **REMINDER: Avoid long queues at the cafeteria - Karri App:**

EHS has implemented the Karri app which will allow the learners to order and pay for food from the cafeteria for first break, second break or after school.

1. **Download the Karri app** from the app store on your phone.
2. Login / create an account **using your school email** (e.g., 12345-john@edgemeanhigh.org.za).
3. Order your food from the app.
4. You can pay via credit card, debit card or EFT on the app.
5. Collect your order from the collections window at the cafeteria.

**NOTE:** If you have followed the steps above and you still do not see anything under the "Collections" menu option, select "**Connections**" and then "**Subscribe**". Enter the **unique code** that can be found on Teams under the General Channel >> Posts Section in the EHS Learner Hub.

If you have any queries or require any assistance with the app, speak to Mr Thorne Kleinsmith or Mrs Monique Vellacott in the Robotics office in the Knowledge Hub.

Kind Regards

Mrs M Vellacott
