“To have life more abundantly”

Circular 17 of 2023

Dear Parents

As we come to the end of a very busy term we do hope that our Edgemean Family have lived it to their fullest.

Today all learners who were at school would have received their reports. Any learner who was not at school will receive their report at the start of next term. We encourage parents to please discuss the results your child has achieved. Some learners may feel upset with their results as they feel they have put in the effort, while others may have poor results as their preparation running up to exams as well as studying time was not sufficient. Whatever the reason one must understand that nothing can change the current results but guidance can be given on how to improve on these results next term.

Please be reminded that we do have Academic Support Classes for learners who are having problems with specific areas of work. Learners can attend these classes and get one on one help from subject teachers.

Next term starts with the excitement of our school Production, Beauty and the Beast. We encourage all our parents and learners to support us and come and watch what promises to be a spectacular performance. To purchase tickets you can do so on the Karri App or for outsiders they can go to the school website and click on the link on the website and purchase tickets. We wish our Cast and Crew all the best. For any queries please contact Mrs Bekker – bbekker@edgemeanhigh.org.za

I would like to congratulate the learners who have been elected to the Prefect Body for 2023/2024, may you lead your peers with Respect, Integrity, Passion, Responsibility and thus Pursuing Excellence.

To all our families that are travelling during these holidays may you do so safely and return feeling refreshed and ready for the new term.

Proudly EHS
